Dear Parent/Guardian

### **RELEASE OF 2022 GCE O LEVEL EXAMINATION RESULTS**

The 2022 GCE O-Level results will be released at 2pm on 12 January 2023 (Thursday). Arrangements have been made for your child/ward to receive his/her results in school. Please ensure he/she reports to school by 1.45pm.

We encourage all students to return to their schools to collect their results. However, students who are unwell or self-isolating due to a positive COVID-19 test should not return to school to collect their results. They have the option of accessing their results online via Singapore Examinations and Assessment Board's (SEAB) Candidates Portal at [www.seab.gov.sg](http://www.seab.gov.sg). Please inform the school by contacting the Form Teacher or calling the General Office in advance.

In addition, we would like your child/ward to take note of the following when he/she reports to school on that day:

- Come in neat hairstyle and appropriate personal grooming e.g. school uniform.
- Report immediately to the school hall.
- Clear arrear school fees and/or library loans at the General Office, if any.

Students who are not in the appropriate school uniform or who do not have an appropriate hairstyle or grooming will receive their results after their classmates.

If your child/ward is unable to collect his/her results personally, please prepare a letter of authorisation for the collection to be done by a family member (who is to bring his/her identification card for verification purposes) and inform the school by calling the General Office in advance.

We would also like to appeal for your child/ward to donate their school uniforms and/or PE attire to the school if they are successfully posted to another institution so that these donations will benefit future batches of students in need. He/she can bring the clothing to the General Office for donation.

Regardless of the outcome of the results, it is important for your child/ward to know that they are loved for who they are, and that their grades do not define them or their future. The social and emotional support you provide will be especially valuable and crucial in helping your child/ward manage their emotions and be positive when deciding on their next steps. Do take this opportunity to have further open conversations with your child/ward about their interests and choices and build their pathways together.

Your child/ward may also consult their teachers or Education and Career Guidance (ECG) Counsellor about their next steps. To complement the ECG services provided by the school, your child/ward may make an appointment for counselling with an ECG Counsellor from the ECG Centre at MOE (Grange Road) via 6831 1420, MOE\_ECG@moe.gov.sg or <https://go.gov.sg/moe-ecg-centre>. The MOE ECG Centre will offer counselling from 9.00am to 5.00pm from Thursday, 5 January 2023 to Saturday, 21 January 2023. Do note that online/phone counselling services on Saturdays will only be available from 9 am to 12 noon.

Thank you.  
Yours sincerely,
